Dear Colleagues

Celtic Meeting – European Huntington's Disease Network (EHDN)
Scottish and Irish Investigators Meeting

On behalf of the European Huntington's Disease Network (EHDN), we invite you to attend the 1st Scottish and Irish Investigators Meeting. The meeting will be held at the Aberdeen Exhibition and Conference Centre, with an evening meal on the 22nd April 2010 and an all day meeting on the 23rd April 2010.

This meeting will provide an update for current investigators, site co-ordinators and research nurses on the current work of the EHDN, ongoing drug trials and the progress of the Registry Database. The meeting will also offer information and training for clinicians who are interested in becoming involved in the work of the EHDN.

Please find attached the flyer and registration form for the meeting.

Kind regards

Dr. Sheila Simpson
Consultant Clinical Geneticist, Aberdeen
Member of the EHDN Executive Committee

Daniela Rae
Research Nurse to Dr. Sheila Simpson, Aberdeen
